

The Great Behavior Breakdown identifies 27 of the most problematic, serious, and challenging behaviors that parents face, broken them down, and provided step-by-step guidance and insight for transforming your family conflict immediately. This is a must-read book for any parent or professional working with children who have seemingly uncontrollable behavior. Common diagnoses for such children are Reactive Attachment Disorder, Oppositional Defiant Disorder, Bi-Polar Disorder, Conduct Disorder, Attention Deficit Hyperactivity Disorder, Depressive Disorder, and Autism Spectrum Disorder. This book, a follow-up to the groundbreaking audio program of the same title, is guaranteed to change the way you view these behaviors.
