

The Interpreter: A Novel

Suzy Park is a twenty-nine-year-old Korean American interpreter for the New York City court system who makes a startling and ominous discovery about her family history that will send her on a chilling quest. Five years prior, her parents--hardworking greengrocers who forfeited personal happiness for their childrens gain--were brutally murdered in an apparent robbery of their store. But the glint of a new lead entices Suzy into the dangerous Korean underworld, and ultimately reveals the mystery of her parents homicide.
