

The Joker Hardcover Ruled Journal (Insights Journals)

Insight Editions launches a unique new journal concept with two highly original titles: Batman Journal and the Joker Journal. Imprisoned in Arkham Asylum, the Joker has been jotting his deranged thoughts in a journal that is, until the book is confiscated by the orderlies. That's where you come in! This ruled journal contains several pages of notes and sketches created by the Joker, before giving way to blank ruled pages on which you can jot your own notes. Atmospheric, engrossing, and designed with a dynamic in-universe aesthetic, this journal lets readers feel like part of the Joker's world! With sturdy construction and sewn binding, this journal lies flat, and the 192 ruled, acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. Includes a ribbon placeholder, elastic closure, and 7.5 x 4.5 inch back pocket, perfect for holding photographs and mementos.
