

## The Last Phantom #3 (The Last Phantom Vol. 1)

It began with a name: Krieghund. And to learn just what it means, Kit Walker is forced to flee war-torn Bengali and seek out an old and trusted member of the Jungle Patrol. With the world believing him dead, Kit is now a Phantom in the truest sense of the word as the Ghost Who Walks tracks the dogs of war to their den in South Africa for an explosive confrontation!
