

The Owners Manual to Terrible Parenting

Guy Delisle knows all the worst parenting techniques. Guy Delisle, the author of *Jerusalem: Chronicles from the Holy City* and *A Users Guide to Neglectful Parenting*, shares hilarious new comic strips that pay tribute to all the ways parents can drive their kids crazy, and vice versa, in *The Owners Manual to Terrible Parenting*. Slipping grammar lessons into bedtime stories, being challenged by difficult toys, and pretending to forget you even have a son: it's all in a day's work for Delisle. In *The Owners Manual*, Delisle doesn't hesitate to make a slightly bumbling, fictionalized version of himself the butt of the joke, though his children often contribute zingy repartee and laugh-out-loud insight in the stories on display here. *The Owners Manual* is the perfect antidote to frustrating car rides filled with "Are we there yet?" and epic battles over homework. Delisle's effortless pacing and witty punch lines reign supreme here, making each vignette zip along to its conclusion.
