

## The Red Badge of Courage & The Veteran (Modern Library Classics)

One of the greatest works of American literature, *The Red Badge of Courage* gazes fearlessly into the bright hell of war through the eyes of one young soldier, the reluctant Henry Fleming. Written by Stephen Crane at the age of twenty-one, the novel imagines the Civil Wars terror and loss with an unblinking vision so modern and revolutionary that, upon publication, critics hailed it as a work of literary genius. Ernest Hemingway declared, There was no real literature of our Civil War ... until Stephen Crane wrote *The Red Badge of Courage*. This Modern Library Paperback Classics edition includes the short story *The Veteran*, Cranes tale of an aged Civil War soldier looking back at his past.
