

The Story of My Life

It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life right? But in a world of no consequences, Alison is heading for a meltdown.
