

Never Say Reven (Shine Book 10)

June Brighton has the ability to hear a person's heartbeats. On the night of her senior prom, she uses her talent to track down a Reven--a Shine bounty hunter--named Memphis Stone. He's ruthless, cunning, and smarter than any Reven she's ever encountered. And as it turns out--he's also the only Reven who has ever been able to capture her. Almost before she knows what happened, she's on a boat headed to a Shine facility. But she's astonished to learn that Memphis isn't after money. His motivations are darker--and much more dangerous. Will an alliance with him save her? Or will she spend the rest of her life as a prisoner--or worse?
