

## The Hunt for Atlantis: A Novel (Nina Wilde and Eddie Chase)

A LOST CIVILIZATION. A DANGEROUS QUEST. A DEADLY SECRET. Its one of history's most enduring and controversial legends—the lost city of Atlantis. Archaeologist Nina Wilde is certain she's solved the riddle of its whereabouts and with the help of reclusive billionaire Kristian Frost, his beautiful daughter, Kari, and ex-SAS bodyguard Eddie Chase, she's about to make the most important discovery in centuries. But not everyone wants them to succeed: a powerful and mysterious organization will stop at nothing to ensure that a secret submerged for 11,000 years never resurfaces. More than one would-be discoverer has already died in pursuit of Atlantis's secrets—including Nina's own parents. Failure isn't an option. From the streets of Manhattan to the Brazilian jungle, from a Tibetan mountaintop to the bottom of the Atlantic Ocean, Nina and Eddie will race against time and follow a trail of danger and death to a revelation so explosive, it could destroy civilization forever.
