

# Trader (Newford)

A novel of loss, identity, and, in the strangest of places, hope. Leonard Trader is a luthier, a maker of guitars. Johnny Devlin is chronically unemployed. Leonard is solitary, quiet, responsible. Johnny is a lady-killer, a drunk, a charming loser. When they inexplicably wake up in each others bodies, Johnny gleefully moves into Leonard's comfortable and stable existence, leaving Leonard to pick up the pieces of a life he had no part in breaking. Penniless, friendless, homeless, Leonard begins a journey that will take him beyond the streets of the city to an otherworld of dreams and spirits, where he must confront both the unscrupulous Johnny Devlin and his own deepest fears.
