

Czech-Slovakia, Hungary, Bulgaria: Guides for the Real Traveller (People to People)

Designed for the independent traveller, this book on Czechoslovakia, Hungary and Bulgaria offers readers the chance to experience a relatively unknown part of Eastern Europe. By putting readers directly in touch with its people, this book should help sweep aside the usual impediments to travel in the former Eastern Bloc, such as underdeveloped tourist facilities and language barriers. This book is part of the People to People series which received an award in 1992 from The Institute for Social Inventions.
