

Twelve Faces of Time: Horological Virtuosos

The passing of the hours is the one thing we all have in common. Long the subject of philosophical musings, time waits for none of us. This thought-provoking volume profiles twelve very distinct masters in the world of high-end horology. We learn of the unique process, infinite precision, and personal vision each brings to his craft. Through text and photographs we gain a heartfelt understanding of the fine detail and delicate artistry that is the hallmark of mechanical watchmaking at its highest echelons. Author Elizabeth Doerr is the senior editor of *Wristwatch Annual* and has written for prominent magazines worldwide. Photographer Ralf Baumgartens varied projects include his first book on watchmaking, *UhrMenschen*. His works have been featured in publications and exhibitions internationally.
