I looked into his eyes and completely forgot the rest of the world. In that moment, all I knew was that I was holding Stark in my arms, and I was going to lose him very, very soon. As if it's not enough to lose her friends and all three boyfriends, Zoey Redbird, the most powerful fledgling the Vampyre world has ever seen, knows that great trouble is coming to the House of Night. Despite her nightmares, Zoey finds herself distracted by the new kid Stark, brought to the House by Neferet, who clearly has something she wants from him. There's something between Stark and Zoey that she never imagined - but disaster is awaiting them all, and she doesn't know if she can fight the approaching evil alone any more...
