

Diving the World, 2nd: Full colour guide to diving (Footprint Diving the World: A Guide to the Worlds Coral Seas)

Diving the World takes the underwater adventurer on a magical tour of many of the worlds top dives. Some 200 prime sites have been carefully selected, reviewed, and photographed by experienced husband-and-wife team Beth and Shaun Tierney from the pristine reefs of Papua New Guinea and the warm waters of the Belize Barrier Reef, to the legendary wrecks of Micronesias Truk Lagoon, theres something for everyone. The guide also features personal opinions and anecdotes from both experts and other divers, as well as recommendations of what to do and see on dry land.
