

Our Wedding Calendar

Every year, more than 5 million Americans go through the process of planning their wedding. For most brides, wedding planning is time-consuming, expensive, and stressful. But with proper organizational tools, much of the agony of planning a wedding can be eliminated. This is what this book is all about. My Wedding Calendar helps the bride keep track of every aspect of her wedding, such as sending invitations, making reservations, and meeting with vendors. The book provides a 16-month day planner so the bride has all of her important dates in one convenient place. Each month is separated into the following sections: at a glance monthly calendar, weekly planner, to-do list and notes. The book includes checklists, lists of dos and don'ts, an address book for invitees, and contact organizers for vendors and members of the wedding party. In addition to providing a perpetual calendar for keeping track of appointments, My Wedding Calendar features pages that allow the bride to get a quick overview of the weeks immediately preceding the wedding.
