

Wickedly Dangerous (Baba Yaga)

Older than she looks and powerful beyond measure, Barbara Yager no longer has much in common with the mortal life she left behind long ago. Posing as an herbalist and researcher, she travels the country with her faithful (mostly) dragon-turned-dog in an enchanted Airstream, fulfilling her duties as a Baba Yaga and avoiding any possibility of human attachment. But when she is summoned to find a missing child, Barbara suddenly finds herself caught up in a web of deceit and an unexpected attraction to the charming but frustrating sheriff Liam McClellan. Now, as Barbara fights both human enemies and Otherworld creatures to save the lives of three innocent children, she discovers that her most difficult battle may be with her own heart. Contains mature themes.
