

## The Revisionists: Library Edition

How many people would you kill to make the world perfect? Zed is an agent from the future. A place where all of the world's problems have been solved. No hunger. No war. No despair. His mission is to keep it that way. Even if it means ensuring every cataclysm throughout history runs its course, especially one just on the horizon. Zed's mission will ensnare the lives of a disgraced former spy named Leo; a young lawyer, Tasha, grieving over the loss of her brother; Sari, the oppressed employee of a foreign diplomat; and countless others. But will he finish his final mission before the present takes precedence over a perfect future? One that may have more cracks than he realizes? *The Revisionists* is a literary espionage tale that puts a fresh spin on today's global crises.
